

# MARCH with LABOR ON MARCH 19

**FOR  
JOBS,  
PEACE &  
JUSTICE  
Now!**

**There are critical moments when  
action by the people shifts the course of history.  
Now is such a moment.**

The trillion dollar wars in Iraq and Afghanistan have robbed our communities of desperately needed resources and precious lives.

*As the economy falters, it is time to change course – to take action for the change we want - and to do it together.*

On March 19<sup>th</sup> labor, peace and other economic, racial and social justice forces will rally & march in SF in a **unified call for change** and to commemorate the 8<sup>th</sup> anniversary of the war in Iraq.

**Together, we are marching to demand:**

- ▶ Jobs and a sustainable economic recovery with universal healthcare and educational opportunity for all!
- ▶ Federal funding for cash-strapped states and communities instead of bankers, stock brokers and real estate speculators!
- ▶ Immediate withdrawal of all troops, contractors and bases from Iraq, Afghanistan and Pakistan! Expand care for returning vets!
- ▶ Fund human needs not militarism -- Bring the war \$\$\$ home!
- ▶ Respect for workers rights, contracts and conditions, including the right to organize! Defense of public sector workers and the vital services they provide!
- ▶ Justice, civil and immigrant rights, and a renewable energy future at home!

**ON MARCH 19<sup>TH</sup>, JOIN THE SF LABOR COUNCIL, USLAW AFFILIATES AND OTHER LABOR ORGANIZATIONS TO DECLARE IT'S TIME FOR REAL CHANGE!**

**Don't Just Hope for Change – *LET'S CREATE IT!***

**Get Your Feet in the Streets! Act Now for Jobs, Peace and Justice!**
