

**PEACE & FREEDOM PARTY STATE CENTRAL COMMITTEE
BY-LAWS**

As Last Amended March 10, 2013

PREAMBLE

The Peace & Freedom Party is an open, multi-tendency, movement-oriented socialist party. We are united in our common commitment to socialism, democracy, feminism, and unionism, and in our common opposition to capitalism, imperialism, racism, sexism, and elitism.

These by-laws do not define socialism, nor do they identify the strategies and tactics of how to achieve socialism. We agree that socialism is necessary and that it will open up a democratic decision-making process for appropriate use of resources and distribution of labor.

The Peace and Freedom Party, as a ballot-qualified political party in the State of California, is governed primarily by these Bylaws and secondarily by the State Elections Code. Where there is any discrepancy between the two, these Bylaws shall take precedence over the State Elections Code. The Officers of the State Central Committee shall urge the State Legislature to bring the State Elections Code into conformance with these Bylaws of the State Central Committee of the Peace and Freedom Party of California.

ARTICLE I - MEMBERSHIP IN THE PEACE & FREEDOM PARTY

Section 1: REGISTERED MEMBERS.

A person may join the Peace and Freedom Party by registering as a voter affiliated with the Peace and Freedom Party on an affidavit of registration.

Section 2: AUTHENTICATED MEMBERS.

Any California resident who is prohibited by law from registering to vote may file a statement of membership in the Peace and Freedom Party (an authentication statement) with the local County Clerk/Registrar of Voters office. The authentication statement shall contain the same information as an affidavit of registration. A copy of the statement should be filed with the State Central Committee of the Peace and Freedom Party. Authenticated members hold the same rights as registered members regarding being listed on the Primary Election ballot for election to the Central Committees, and for voting in the partisan portion of the Peace and Freedom Party Primary Election ballot.

Section 3: NON-REGISTERED MEMBERS.

Any person who would register Peace and Freedom Party, if not legally prohibited from doing so by reason of age, citizenship, or legal status, may become a member of any Peace and Freedom Party body by majority vote of that body.

ARTICLE II - PEACE AND FREEDOM PARTY STATE CENTRAL COMMITTEE

Section 1: AUTHORITY.

Under the State Elections Code the Peace and Freedom Party is governed by its State Central Committee and County Central Committees.

Section 2: FORMATION OF THE STATE CENTRAL COMMITTEE.

A new State Central Committee is formed in August every two years after the June Primary Election, in even-numbered years, at a convention meeting of the Peace and Freedom Party. At least one day of the convention must be during the month of August.

Section 3: MEMBERSHIP ON THE STATE CENTRAL COMMITTEE.

Members of the State Central Committee are

1. those persons elected to the Central Committee at the direct primary election, and
2. those persons appointed to membership of the State Central Committee pursuant to ARTICLE II, Section 5.

Section 4: ELECTION OF MEMBERS OF THE STATE CENTRAL COMMITTEE.

Pursuant to the State Elections Code, registered Peace and Freedom Party voters elect the members of the State and County Central Committees at the June direct primary elections.

A. Registered Peace and Freedom Party voters and authenticated Peace and Freedom Party members may become candidates for the Central Committees by filing candidacy papers with the local County Clerk/Registrar of Voters office in February or March of even-numbered years, and obtaining the required number of signatures of other registered and/or authenticated Peace and Freedom Party members in their areas.

B. Candidates for Peace and Freedom Party nomination to partisan offices shall automatically be listed as candidates for Central Committee in their Central Committee districts of residence (county, assembly district, or supervisorial district). The district in which each person chosen as a nominee for partisan office resides shall be entitled to one additional Central Committee member beyond that to which the district is otherwise entitled.

C. In primary elections where persons registered with other political parties are allowed to vote for Peace and Freedom Party nominees for partisan public offices, the people receiving the nominations shall not be declared elected to the Peace and Freedom Party County and State Central Committees as a result of the nominations.

Section 5: APPOINTMENT OF MEMBERS OF THE STATE CENTRAL COMMITTEE.

Pursuant to the State Elections Code, the State Central Committee may appoint members as are deemed proper. The following provisions shall govern appointment of new members:

A. A person shall not be considered for appointment to the State Central Committee unless first a member of a County Central Committee or a recognized local Chapter except by a 75% vote of the State Central Committee members present and voting.

B. To be considered for appointment to membership on the State Central Committee a person must be a member as defined in ARTICLE I of these By-Laws, and must personally be in attendance at the meeting at which the introduction and membership proposal are made. The person must then attend at least one other meeting within 18 months of the original introduction, and may be voted on at that time.

C. Appointment of new members shall be by a majority vote of those present and voting, except as provided for in SECTION 5:A above.

D. It shall be the responsibility of the Secretary of the State Central Committee to maintain a list of all current members of the State Central Committee. This list shall be made available, upon payment of a fee sufficient to cover costs, to any member of the State Central Committee upon request. The list shall include names, addresses, email addresses where available, and phone numbers.

E. Except as provided in Sections G and H below, no new members shall be added to the State Central Committee at its Convention meeting, except at the end of the meeting after which no other votes will be taken.

F. Appointment to the SCC from a county shall not cause the number of State Central Committee members from that county to exceed by more than 100% the number to be elected from that county in the previous Primary Election. Those added to the Central Committees through nomination for partisan State or Federal office shall be excluded from this calculation.

G. Notwithstanding the foregoing provisions of this section, anyone elected as a Member of Central Committees at a Primary Election shall be eligible for immediate appointment to the State Central Committee at a meeting held following the Primary Election, but prior to the Convention Meeting of the newly-elected State Central Committee.

H. Notwithstanding the foregoing provisions of this section, anyone who meets the following requirements may be added to the State Central Committee at its convention meeting by vote of the members present. Each person appointed under this subsection must (a) live in California as his or her primary place of residence, (b) be

prohibited by law from registering to vote, (c) affirm in writing that she or he supports the goals and platform of the Peace and Freedom Party, and (d) affirm in writing that she or he would have run for County and State Central Committees as described in Article II Section 4(A) if he or she had been allowed to do so. Each such person must have notified the State Chair in writing of her or his intention to seek appointment by the deadline for filing as a write-in candidate in the Primary Election. The number of additional members appointed under this provision at a convention meeting may not exceed ten percent of the total number of State Central Committee members upon adoption of the credentials report at the beginning of the convention meeting.

Section 6: DUES OF THE STATE CENTRAL COMMITTEE.

All members of the State Central Committee are responsible for the payment of dues. State Central Committee dues are \$10.00 per month regular, \$5.00 per month low income, \$2.00 per month hardship, but there shall be no means testing of Members' claims to low income or hardship rates.

At the Convention meeting of the State Central Committee, each Member who was a Member during the previous term of the State Central Committee and who owes \$10.00 or more in dues must pay at least \$10.00 of those dues before being seated for the new term.

Section 7: MEETINGS OF THE STATE CENTRAL COMMITTEE.

The State Central Committee shall meet at least three times per year at times and places determined by the State Central Committee or State Executive Committee. All meetings of the State Central Committee shall be open. Voting rights shall be restricted to members of the State Central Committee. Discussions of accusations, differences of political philosophy, and intent that would not be conducive to advancing the business of building the Peace and Freedom Party shall either be taken care of in a special subcommittee or at a specially-called meeting of the State Central Committee separate from the generally-scheduled State Central Committee meetings. The right of 2 non-members to speak may be limited upon a majority vote of those present.

Meetings of the State Central Committee shall be run according to the most current edition of Robert's Rules of Order with the following exceptions:

- A. All motions are debatable. The Chair may, with the consent of the body, limit debate on procedural motions to one speaker for and one speaker against.
- B. All motions may be passed by a simple majority, unless otherwise provided for in these By-Laws.
- C. Challenges of discrimination may be raised, specifically points of racism, sexism, homophobia, and ageism, with a brief explanation offered.
- D. At any time, any member shall be granted twenty seconds of silence by the body, upon demand.
- E. All meetings shall be held and conducted in a manner providing reasonable access to disabled persons.

Section 8: OFFICERS OF THE STATE CENTRAL COMMITTEE.

All officers are accountable to the State Central Committee for their actions. The Officers of the State Central Committee shall meet monthly by telephone conference call, Web conference or in person, except in months in which a meeting of the State Executive Committee is held. They may also meet at other times at the call of the State Chairperson or of a majority of the Officers. They shall have such powers and duties as shall be delegated to them by the State Central Committee and the State Executive Committee. A quorum for such meetings shall be a simple majority of Officers. After these officers are elected, the remaining officers-at-large shall be elected by the single transferable vote method of proportional

representation, modified so as to guarantee that those elected meet the party's gender balance requirements and any other diversity requirements provided elsewhere in these by-laws. The chairperson shall convene a meeting of the officers-at-large to divide among themselves such secretarial, organizational, and other duties as are necessary and appropriate. These duties may be reassigned to other officers as necessary during the term between convention meetings of the SCC.

The State Central Committee shall have the following officers with the following responsibilities.

A. CHAIRPERSON OF THE STATE CENTRAL COMMITTEE shall have the following responsibilities:

1. Act as the official spokesperson of the State Party, and act, after reasonable consultation with the other State Officers, for the State Executive Committee and State Central Committee, and report such actions.

The State Executive Committee shall meet, by telephone conference all, web conference or in person, once between each State Central Committee meeting and the next, at a time determined by the Chair after consultation with the Officers. It may also meet at other times at the call of the State Chairperson or of a majority of the Officers. When the State Executive Committee consists only of the Officers, a quorum for meetings shall be a majority of its members. At other times, a quorum shall be one third of its members. Minutes shall be kept of such meetings, whether conducted in person, by phone, or by e-mail,

and reported to the SCC no later than its next meeting. Members of the SCC shall be permitted to attend and, at the discretion of the body speak at such meetings. The State Executive Committee shall be constituted as follows:

6. All delegates to the State Executive Committee must be residents of the geographical area which they represent.

C. The State Executive Committee may not admit, expel, or suspend members, appoint officers, or co-opt any persons to its own membership.

D. Notwithstanding the other provisions set forth above, if the number of delegates registered at the opening session of the Convention meeting of the State Central Committee is less than 75 or the number of counties from which delegates come is less than 8, the State Executive Committee shall consist only of the State Officers, including the State Executive Committee Members-at-large.

Section 10: DECISIONS OF THE STATE CENTRAL COMMITTEE AND THE STATE EXECUTIVE COMMITTEE.

Between meetings of the State Executive Committee, the State Chairperson may act, after reasonable consultation with the other state officers, for the State Executive Committee and State Central Committee in urgent matters requiring immediate attention.

All such actions shall be reported at the next meeting of the State Executive Committee for endorsement or reversal. All actions of the State Executive Committee shall be reported to the State Central Committee at its next meeting for endorsement or reversal.

A quorum shall be deemed to be present for the purpose of considering motions and proposals if the meeting has not been adjourned, unless fewer than 50% (one-half) of the members who have signed in as participants at the meeting remain.

However, the State Central Committee may make rules and regulations establishing a different quorum requirement, and any provision so made shall supersede the provisions of this section.

Section 13: RIGHTS OF STATE CENTRAL COMMITTEE MEMBERS.

All members of the State Central Committee have the right to attend, speak, and vote at all meetings of the State Central Committee.

The State Central Committee may create standing and/or ad hoc subcommittees as it deems appropriate. Such subcommittees must report their activities to the State Central Committee at each meeting.

Section 16: CONTINUATION OF CENTRAL COMMITTEES: RESERVE PROVISION.

A. If the California Secretary of State or a court of appropriate jurisdiction issues a ruling that the Peace and Freedom Party no longer has ballot status, the County and State Central Committees in office at that time shall continue to govern the Party under these Bylaws for a period not to exceed two years following the expiration of the terms to which they were elected. During this period the State Central Committee may amend these Bylaws to provide for alternative methods and procedures for renewing the membership of the County and State Central Committees. Upon regaining its ballot status, the Party shall return to the election of members of Central Committees as specified in these Bylaws.

B. Should the lack of ballot status prevent the election of new Members of Central Committees to take office at the August Convention Meeting of a Primary Election year, the State Central Committee and each County Central Committee, during a meeting noticed and held during August or September of that year, shall reappoint to two-year terms such members as the majority of those members present shall select. Those who have served during the previous term may be reappointed even if they are unable to be present at the meeting. In such a year the provision that members may not be added during a Convention Meeting shall not be operative, though other conditions for appointment contained in these Bylaws must be met.

ARTICLE III - COUNTY CENTRAL COMMITTEES/RECOGNIZED LOCAL CHAPTERS.

County Central Committees and recognized Local Chapters shall be formed wherever possible. No local organization shall be granted representation on the State Executive Committee or State Central Committee without the consent of the County Central Committees from which it draws its membership. Such County Central Committees and recognized local Chapters should be run according to principles similar to the State Central Committee. The Finance Committee is a standing committee of all local Chapters. Its duty is to raise funds for the Peace and Freedom Party.

ARTICLE IV - TENDENCIES WITHIN THE PEACE AND FREEDOM PARTY AND STATE CENTRAL COMMITTEE.

The Peace and Freedom Party and the State Central Committee permit the formation of tendencies and the expression of various viewpoints.

ARTICLE V - AMENDMENT OF THESE BY-LAWS OF THE STATE CENTRAL COMMITTEE.

These By-Laws remain permanent and in effect until amended and they govern the operation of each newly-elected State Central Committee. These By-Laws may be amended by a majority vote of the Convention meeting of the State Central Committee; or at any meeting amendments may be proposed, but may not be acted upon until the next meeting. All members must be notified of the proposed changes by the State Executive Committee at least three weeks prior to such action.

ARTICLE VI. PEACE AND FREEDOM PARTY NOMINATIONS FOR PARTISAN PUBLIC OFFICE

Section 1: CONDUCT OF PRIMARY ELECTION.

The Primary Election of the Peace and Freedom Party shall be held the first Tuesday following the first Monday in June of each even-numbered year. The Primary Election shall determine who is elected to serve as Members of the State Central Committee at its Convention meeting, as provided for in Article II, Section 4 of these By-Laws. The Primary Election shall also determine who shall be nominated by the Peace and Freedom Party for partisan public office, as provided for in Article VI, Sections 3 and 4 of these By-Laws, except for the offices of President and Vice-President of the United States of America.

Section 2: ELIGIBILITY TO VOTE IN PRIMARY ELECTION.

Any Registered or Authenticated Member of the Peace and Freedom Party, as defined in Article I of these Bylaws, shall be eligible to vote in the Peace and Freedom Party Primary Election. Local County Clerks/Registrars of Voters shall provide means for Authenticated Members of the Peace and Freedom Party to cast a partisan ballot in the Primary Election.

Section 3: NUMBER OF NOMINATION SIGNATURES REQUIRED.

On a nomination paper for a person seeking the Peace and Freedom Party nomination for a partisan public office, the number of signers required shall be the number specified by the Elections Code or ten (10) percent of the number of Peace and Freedom Party registered voters in the district, whichever number is less. This section does not cover the nomination papers for the party office of Member of Central Committees.

Section 4: NOMINATION BY WRITE-IN VOTES: NUMBER OF VOTES REQUIRED.

A. A person who is a Peace and Freedom Party registrant as of the close of voter registration for the primary seeking the Peace and Freedom Party nomination by write-in vote in the direct primary election shall be deemed nominated and shall have her or his name printed on the general election ballot as Peace and Freedom Party nominee if she or he receives a total number of votes in the Peace and Freedom Party direct primary election for

that office equal to or greater than two (2) per cent of the number of Peace and Freedom Party registered voters eligible to vote for that office and voting in the primary election, or more than a candidate whose name appears on the primary ballot. This requirement shall replace that of the California Elections Code for Peace and Freedom Party direct primary nominations by write-in votes.

B. In addition, a write-in candidate who receives the most votes, but who does not qualify under paragraph A of this section, shall be placed on the general election ballot only if ratified by a majority vote of the State Central Committee, or, if the State Central Committee fails to consider the question, by a majority vote of the State Executive Committee. If the write-in candidate is not a Peace and Freedom Party registrant, the ratification requires a 75% majority of the appropriate body.

Section 5: NOMINATION BY CONVENTION.

Any nomination for partisan office not filled by the voters at the Primary Election may be filled by nomination by majority vote of the Convention Meeting of the State Central Committee of the Peace and Freedom Party.

Section 6: CONFIRMATION BY CONVENTION.

Any candidate nominated for partisan public office in the Primary Election may, when California law allows registrants of other ballot-qualified parties to vote in the Peace and Freedom Party Primary, be removed from nomination by three-quarters vote (75%) of the Convention Meeting of the Peace and Freedom Party.

Section 7: PRIMARY ELECTION OPEN ONLY TO PARTY MEMBERS; NOMINEE SELECTION PROVISIONS.

A. Candidates of the Peace and Freedom Party for partisan office shall be selected at a Primary Election. Notwithstanding any provision of law, the right to vote at such a Primary shall be limited to persons who are registered or authenticated members of the Peace and Freedom Party.

B. If a Primary Election occurs which does not meet the requirements of Paragraph A of this Section, the nominees of the Peace and Freedom Party for state-wide office shall be selected at the Convention meeting of the Peace and Freedom Party State Central Committee. Within three days of the conclusion of the Convention meeting, the State Chairperson shall give written notice to the Secretary of State of the names of the candidates chosen at the Convention.

C. If a Primary Election which does not meet the requirements of Paragraph A of this Section is held, and no candidate is selected by the Convention Meeting of the State Central Committee, then the Peace and Freedom Party member who received the largest number of votes in that Primary shall be the Peace and Freedom Party nominee.

D. Offices other than statewide offices:

1. If a Primary Election occurs which does not meet the requirements of Paragraph A of this Section, the Peace and Freedom Party nominees for partisan office other than statewide office shall be chosen by a convention at which the delegates are members of the State Central Committee who reside in the district.
2. The convention will be held in July in a county in which the district is wholly or partly located, to be called on an exact date and place by the State Chairperson in consultation with the County Chairpersons of counties within which the district is located. When possible the convention will be held jointly with those for other offices elected by district in the same area.
3. If a Primary Election which did not meet the requirements of Paragraph A of this Section is held, and no candidate is selected by a district convention as provided for in this Paragraph, then the Peace and Freedom Party member who received the largest number of votes in the Primary Election shall be the Peace and Freedom Party nominee.

Section 8: MEMBERSHIP REFERENDA AND INITIATIVES.

A. Referenda - The California Secretary of State shall cause to be printed on the Primary Election ballot of the Peace and Freedom Party up to three referenda not to exceed one hundred (100) words in length each, as directed by the State Central Committee of the Peace and Freedom Party. The Chairperson of the State Central Committee

shall communicate the wording of the referenda to the Secretary of State no later than the deadline date for qualifying statewide ballot initiatives for the Primary Election.

B. Initiatives - The California Secretary of State shall cause to be printed on the Primary Election ballot of the Peace and Freedom Party initiative measures not to exceed one hundred (100) words in length each, upon confirmation of the signatures of five thousand (5,000) Registered and/or Authenticated Members of the Peace and Freedom Party. The initiative petition format and deadline shall be the same as for statewide ballot initiatives.

ARTICLE VII - SEVERABILITY

If any provision of these By-Laws shall be held invalid by operation of law or by any court of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any tribunal, then the remainder of these By-Laws shall not be affected thereby.

ARTICLE VIII – ENDORSEMENT OF CANDIDATES

Section 1:

No endorsements of candidates for California public offices shall be made by the State Central Committee or in the name of the “Peace and Freedom Party” or of the “California Peace and Freedom Party” except under the provisions of this article. County central committees and other local and regional party organizations may make other endorsements consistent with their own bylaws and any endorsements made under this article, but such endorsements must specify the body that made them. Only endorsements made under this article shall appear in ballot pamphlets, and all such endorsements shall be submitted to all appropriate election officials for publication in ballot pamphlets.

Section 2:

The default procedure described in section 3 of this article shall be used for all endorsements unless the State Central Committee adopts an alternative procedure by majority vote at a meeting at least 2 months prior to the deadline for candidates to file in any election to which the procedure applies. No such alternative procedure shall specify any candidates to be endorsed, nor shall it provide for any binding endorsement decisions to be made within one week of its adoption. Any alternative procedure shall be adopted for specific elections or for elections during a specific time period, to end no later than the end of the second calendar year after the State Central Committee meeting at which it is adopted.

Section 3:

Default endorsement procedure:

(A) Endorsements of candidates for statewide office shall be made by vote of the State Central Committee at a meeting whose notice says that endorsements for such offices will be considered.

(B) Endorsements of candidates for non-statewide office in which at least 75% of the registered voters eligible to vote for the office live in counties with active Peace and Freedom Party county central committees shall be made by joint action of those county central committees. For purposes of this section, an active Peace and Freedom Party county central committee is one that (1) holds regular meetings at least once every three months; and (2) includes at least one member in good standing of the State Central Committee or at least one person who attended one of the State Central Committee’s three most recent meetings.

(C) Endorsements of candidates for non-statewide office in which fewer than 75% of the registered voters eligible to vote for the office live in counties with active Peace and Freedom Party county central committees shall be made by the State Central Committee as for statewide office.

(D) For purposes of this section, a Peace and Freedom Party candidate is a candidate who is registered as Peace and Freedom and who will be listed on the ballot as affiliated with or preferring the Peace and Freedom Party.

(E) In endorsements made by a single body, a simple majority vote of those present and voting suffices.

(F) In endorsements made by several bodies acting jointly, a simple majority vote of each body of those present and voting suffices.

(G) If an election is called too close to the filing deadline for the State Central Committee or for all relevant county central committees to act under paragraphs (E) or (F), the State Executive Committee or the state officers may make endorsements.

(H) If after an endorsement decision is made, circumstances change so that there are additional or fewer Peace and Freedom Party candidates for the office than were known at the time of the endorsement decision, the State Executive Committee or the state officers may reconsider the endorsement decision. If an endorsed Peace and Freedom Party candidate is no longer a Peace and Freedom Party candidate, then that endorsement must be withdrawn unless and until the State Central Committee, the State Executive Committee or the state officers vote by a simple majority of those present and voting to reinstate it.
