Subject: SB 562 – (Lara/Atkins): Healthy California Act
SUPPORT

Dear Senator Lara:

I am writing to you on behalf of the Peace and Freedom Party of California to support SB 562. We have a long history, starting 50 years ago, of supporting free, high quality health care for all. A part of the platform of Peace and Freedom Party reads: "We believe that access to quality medical and dental care is a basic human right. We stand for a democratically-controlled, publicly-funded health care system. We support health practices that emphasize education, prevention and nutrition. We demand: Free, high-quality health care for everyone."

As we understand it, the goal of the Healthy California Act (SB 562) is to establish a state based universal health care system and provide comprehensive health care coverage to every Californian. Because health care is a right, SB 562 should not allow any co-pays and deductibles.

For these reasons we support SB 562 and urge its passage. To discuss our position on SB 562 further, please contact me at (916) 320-9186 (mobile) or ctwebervoters@att.net or our State Chair, Kevin Akin, at (951) 675-2813 (mobile).

Sincerely,

C. T. Weber
