

PEACE AND FREEDOM PARTY

The Peace and Freedom Party is committed to socialism, democracy, ecology, feminism and racial equality. We represent the working class, those without capital in a capitalist society. We organize toward a world where cooperation replaces competition, a world where all people are well fed, clothed and housed; where all women and men have equal status; where all individuals may freely endeavor to fulfill their own talents and desires; a world of freedom and peace where every community retains its cultural integrity and lives with all others in harmony.

Your supporting membership helps us work toward these goals.
