JOIN IN THE FIGHT! STAND UP WITH MEMBERS OF THE COMMUNITY AND YOUR FELLOW UNION BROTHERS AND SISTERS TO SPEAK OUT AGAINST THE ATTACK ON ALL WORKING CLASS PEOPLE!

When BART workers went out on strike on July 1, 2013, the entire Bay area was affected. **This struggle is not just about BART.** We've seen the same attacks on the city workers of Oakland, Hayward, San Francisco, the Port of Oakland, the Oakland Airport, WISCONSIN and throughout the country. Workers who are more vulnerable (those without unions and undocumented workers) face even greater struggles. We invite ALL affected and concerned workers to come out and stand in solidarity!
